Hello Martin

Thank you for your e-mail. We affiliate to CTT so that some of our members who are not a member of another CTT club (many are Crawley Wheelers) can race time trials, with the right third party cover of course.

We organise many triathlon/duathlon events for our members, younger triathletes and the wider triathlon community and I am unsure that we would be able to organise a TT as well.

However, I will ask for this to go to our next committee meeting and will get back to you after that.

Many thanks

Lawrence

Mark/David – I hope that makes sense

Subject: CTT Open Event Application for 2015
Importance: Low

I am aware that your Club/Team did not promote an Open Time Trial this year but there are opportunities for new events to be introduced so Guidance Notes and Application Form for 2015 events are attached.

Please acknowledge receipt and advise whether or not your club will be making an application.

Martin Aldridge

LSDC Ast. Secretary - Open Events
