

Risk Assessment Form

This form should be completed with a list of hazards that affect the session, and should be written from a coaching perspective, not a venue management perspective. For each risk assessment there should be associated Emergency Action plan to be used in case a risk occurs.

Venue:		Ardingly Reservoir		Venue Contact Name & Contact Details:	Christopher Kinsman Manager AAC 01444 892549
Address: (Include postcode)		Ardingly Activity Centre, Ardingly Reservoir, Ardingly, West Sussex RH17 6SQ			
Group:		Mid Sussex Triathlon Club	Location of first-aider:	AAC Staff on duty	
Date and Time:		May to October Every Saturday morning 08.15 – 09.45 Every Tuesday evening 18.00 – 19.30	Location of Defibrillator	Office in centre	
Participants:	Number:	Variable up to approx. 60	Location of toilets:	In centre (not available during Covid precautions)	
	Age:	Minimum age 16	Location of changing rooms:	In centre (not available during Covid precautions)	
	Ability:	Mixed – But only known and competent swimmers	Location of first-aid kit:	On every launch	
Lead coach name:		Uncoached sessions	Stocked and maintained:	x Yes No	
Venue documents read and understood (please ✓ appropriate box):		Normal operating procedures: x Yes No	Additional notes:	This is a managed venue with a member of staff on duty and present during swim times	
		Health and safety policy: x Yes No			
		Emergency action plan (EAP): x Yes No
